Administrator Updates

- Bowling and gymnastics have started
- Parent night for winter sports is November 19th
- 2-3 schools in Tacoma are small enough to go 2A SPSL (Enumclaw, White River)
- Mid-January administrators should have enough information to know next steps
- Schools are required to stay in their league for four years.
- Reader board – is connected to an old phone line that is to be updated. Sam and Angel will log into the network to update it. The board can only sustain two lines of words
- The AD shared CHS needs to secure a board controller "mother board", estimated cost ranges from \$10,000 - \$37,000. The board controller in the main gym could be moved to the small gym.
