

**CHS Booster Club
October 12, 2016**

Attendance: Steve Taylor, Cristin Wilson, Dan Sweeney, Tawnya Smith, Tammy Berbells, Jamie Tosland, Stephanie Pratt

Report: Mr. Cleveringa shared as soon as spring sports end, ground will be broken on the new field. TCFL – will practice on Saturdays.

Volunteers: Discussion on how to secure volunteers for tickets and concessions. The board can work on a variety of strategies to raise awareness of the need for volunteers, how to sign up to volunteer and work with coaches to request parent support. The board discussed the importance of collaboration with coaches and parents. Outreach is key.

- Marketing – Facebook and email can raise awareness and promote the benefits of volunteering.
- Coaches – The board can communicate via parent/coaches meetings. One idea presented is for the Booster Club to host a coach's appreciation event. The event would bring coaches and the Booster Club together and may assist with collaborative approaches to access and secure volunteers.
- Being aware of issues and barriers is important.
- Establishing a new culture and different partnerships will take time.
