

**CHS Booster Club**  
**September 13, 2017**  
**Meeting Minutes**

In attendance: Steve Taylor, Tammy Berbells, Jena Layton, Cristin Wilson, Debra Miles, Stephanie Pratt

Administrators Update:

Mr. Cleveringa provided an update on the following:

- Cross Country Capital City Invite: 1200 athletes participated

Mascot Bowl: Mr. Cleveringa shared a potential fundraising event. The event would be held next fall and include Mascots playing TCYFL players. The event is modeled after Mr. Cleveringa's High School in Utah. The turnout was tremendous and the event was fun!

- Mascots are sponsored to cover the cost for travel/lodging, promoting the sponsor and supporting CHS
- Tickets are sold to attendees
- The CHS marketing class could assist with the event.

Principals Check Book: Mr. Cleveringa shared that he has access to a fund to assist students who need financial assistance with school related expenses. However, there are students who cannot afford the pay to play fee of \$125. There are athletes that also may not be able to afford their "kits", shoes or other needed items to participate. The Booster Club can assist with expenses that can be inventoried, but not expenses such as the pay to play fee.

Link Crew: important to success of new kids. 342 Freshman 306 students attended.

A new Sports Medicine teacher is in the process of being hired.

New Field: We need a flag pole. The sound system is being worked on.

Motion passed to accept the August minutes

Treasurers Report: \$19,000 grants to pay out.

Concession/Ticket Sales: Looking good. Getting the word out to fill slots. Stephanie and Debra have food handler's cards.

Booster Club - Tailgate Party: discussed the need for volunteers and food. We need to set a date and coordinate the party.

**Auction**

- 20 tickets have been sold
- Tammi will work on promoting the event as well as membership to the Booster Club
- We need at least 2 BIG ITEMS such as trips.
